Re: Boston Edison Company, D.T.E. 01-108: MWRA Exhibit List

Dear Mary:

Pursuant to the February 8, 2002, Memorandum from the Hearing Office in the above referenced proceeding, the Massachusetts Water Resources Authority ("MWRA") hereby submits the following as its list of the exhibits to be marked for identification and received into the evidentiary record:

- ?? Exhibit MWRA-LS: direct testimony of Lee Smith, including two attachments;
- ?? Exhibit MWRA 1-1: a one page document consisting of the Company's response to the Information Request MWRA-1-1;
- ?? Exhibit MWRA 1-2: a one page document consisting of the Company's response to the Information Request MWRA-1-2; and
- ?? Exhibit MWRA 1-3: a three page document consisting of the Company's response to the Information Request MWRA-1-3.

This list of exhibits is based upon the understanding that both the Department Staff and the Company will mark as exhibits all of the other responses to information requests propounded and answered in this proceeding. The MWRA reserves the right to seek to have additional exhibits marked for identification and admitted into evidence as it deems necessary to address evidence that may be developed by other parties during the course of the hearings.
